Grandpa I will never forget the memories and the love you had for all of us grand kids. I can't remember a life event that you were not there. Thanks for taking part and shaping in my journey through life. I have fond memories growing up of summer trips with you and grandma. You took us camping, fishing, and endless road trips to baseball games. Not sure how you kept your sanity for week long trips with 6 grand kids. You showed us it was ok to eat Denny's for breakfast, lunch and dinner. We were even allowed to eat pancakes all day. You were so proud of all of us, and helped us with anything we needed. You worked hard and raised wonderful kids. I will miss you, but I will cherish the wonderful memories. Love you, Jeremiah "JJ"
