Erv,You were so much more than an uncle to me. You were like a brother and one of my best friends. The fact that your gone makes me cry but then I think of all the fun times and CRAZY stuff we've done and I start laughing. I know that's the way you would want it. Lake parties won't be the same without you. I love and miss you so much. I know your with grandma now. -Homey-

Erv was a very funny guy that made me laugh out loud every time I was near him. He loved and was loved very much by his family. It was very evident at the family get togethers. You all have a very close, special relationship with each other and I am sure Erv knew how much he was loved. Keep him in your heart forever. He will be looking down on you. God Bless each and every one of you. Love, Christie and the girls
