Lois was one of those most loving friends. She so much enjoyed being a part of our circle and worked endlessly to help in anything she was asked to do. She was so strong in her faith in Christ up to the end and now is enjoying being in the presence of Christ, her family, and friends who have gone before her.

Sorry I missed the calling for Lois, I do want the family to know what a special lady Lois was. She gave me many good ideas when I worked with her. She will be greatly missed.

I am so sorry to hear of your loss. I did Lois' hair for many years. For a long time, I saw her every week, when she came in to get her hair styled. She was such an easy-going lady and fun to visit with. I loved it when she would call me "kid". She made me feel forever young! I miss her.

Lois was my other "mom" taking care of my sister and me while our mother worked. Oh what memories! She has always been there for me and my entire family through joys and sorrows. My true angel on earth.
