The kids always loved to have grandma come and play games with them. They loved to see the Uno Attack cards come shooting out at her...then she'd have "disasterous" cards to play against them. Thanks for all the wonderful memories, Mom. Love and miss you!Angela

I always loved playing games with grandma. And I'm glad that she gave that love of games to the family. Some of my best memories are sitting around playing dominos and just laughing till we cried. Grandma you will be missed greatly but I know we will see you again some day. We all love you Grandma!
