Gary, We are sorry to hear of Sheryl's passing. Our thoughts and prayers are with you and your family. Unfortunately, we are currently in northern Michigan and will not be able to make it to New Haven this weekend. Gary, I know that it has been years since we've seen each other. We plan to connect with you later this month. We would like to arrange to come south and meet for dinner or what ever is convenient for you. Brad & Lori

sheryl, words cant explain the thoughts that run through my head when i found out that i wont be able to hug you no more, or see the smile on your face when i bring your beautiful granddaughter jaydyn faith over. You truly are one of the most amazing and humblest persons i have ever spent time with. Even though ive been away in the marines for awhile, i will continue to pray for you and your family for your family is my family. Im not much of a prayer guy, but i talked to you last night, and i simply said, i love you, and i miss you, and i learned from you in the simplest way. I ask that you watch over me and our family and keep us safe. love jarred

Sheryl, Our Neighbor We see you smile as you work outdoors. You break from your chores to chat as we walk by. We see you walk with Jaydyn and chuckle as you pick up the pace to deal with her burst of energy. You stop by to visit as we relax on our porch, only to leave in a hurry as Jaydyn runs to a friend. You bring cookies and assistance to us in our time of need. You care for your family with love and cherish time with your friends. We will miss you, Sheryl, our neighbor, our friend. Gary, Matt, Sarah, Jaydyn you are in our prayers. May God grant you strength as you go forth. With Love, Ron and Paula and your neighbors of Abbey Court
