To Peg's family. I am sorry for your loss. I have so many fond memories of Peg and our times spent working closely together at Lincoln National. She always had that big smile on her face and we shared many laughs. May God grant you peace and love while you continue to rely on your wonderful memories in the days ahead.

We first met Peg because we would walk by her house in Stillwater and play with Daisy and Abner. Then we got our boxer, Munich, and we all became great friends. Some of our fondest memories were when we would sit on her patio sharing a bottle of chardonnay while our dogs would play...good times! Also, we liked to go to Satek winery and share a picnic lunch sometimes. We will miss her dearly. Keeping you, her family, in our thoughts and prayers.
