Bill, am so sorry about Sue's death. I fondly remember playing softball with you guys and the time that you opened your home to us. They boys(now men) had such a good time. Having lost Dennis, I feel for your loss and pray for you as you grieve the death of your dear companion. Ruth Trzynka

We are so blessed to have known Sue. She took under her wing the new kid...and taught my son the kindness, love and support of a neighbor. Sue made such an impact on so many lives. We have only known her a few years but Sue will be forever in our hearts...Brenda

If you had Sue for a friend, you had a very precious gift. Almost 40 years knowing her and always amazed at how giving and wonderful she was. If you didn't want her honest opinion, don't ask. She was right most of the time though. She will be greatly missed by so many.
