Bill and I got to know Michael when he would visit Sharon in Illinois and always enjoyed his sense of humor, his devotion to the Cubs and his general love of life and of food. He was blessed to come from such a loving, caring family. Our thoughts are with you as we share in your memories. Sue and Bill Bowen

My sisters and I would see Mikey every year on our family vacation to International Falls. We always used to play air hockey together. I learned real quick to watch my fingertips otherwise he would get them. I swear he aimed for him. He always giggled like a maniac whenever he got you. Then again, we always giggled like maniacs when we got him back. I'll always remember him as my most fierce air hockey opponent. Love you Mikey!
