I grew up at Lifeway Church (Moeller Road Wesleyan back in the day). Carlyne was so consistent. She was always cheerful and encouraging, an active member in the church. She was always kind to my mom and was a tremendous blessing to all. My prayers go out to Dan and the rest of the family. I know there is celebration because without a doubt we know where she is. But it is still sad at the same time because she is missed.

We only met Carlyne a few times over the years of being her daughter's neighbor but our memories of her are so good. She was a delightful lady who's smile radiated to others. The joy of the Lord was evident in her life and her love for her family was wonderful to see. Our prayers and sympathy go out to Jody and the family. Lee & Mary Hargitt

Carlyne drove my two children to school in her school bus most of their lives. I always knew my children were in good hands under her care and guidance. They both grew up and became great people. Thank you Carlyne for your help and wonderful work. George Simpson

I am so glad I got to spend time with Carlyne when I was home a few weeks ago. She was a second mom. She encouraged and pushed for us to to be and do our best. She talked me off the ledge (of the pontoon and into the water) - and the rest of that story is a very long one - and all about being up at the lake. A place where almost all of my memories of being a kid are in my mind and heart. My intentions for comfort of healing peace from the Divine above. She will be missed by the many souls she touched. She is closer than you know. The love she bestowed on you is a treasure and in your heart forever. My deepest sympathy, Daniel Lengerich

My heart is broken, but she would want us to be in glory, that she is home with Jesus, her life long rock. She was a mother to me since I was 14 years old. I'm so great full that she introduced me to Jesus. She was always there to listen and watch all the grandkids and teach them to swim at Pulmer Lake. Till we meet again in Paradise. Love you!
