Michael Porter posted:

Mrs. Batdorf was my School Librarian at Sunnymede Elementary in the late 70s. She helped instill a deep love of reading that opened new worlds to all of our curious young minds. i remember her kindness and generous guidance. She helped me learn how joyful and powerful libraries and Librarians could be. Her inspiration helped lead me to what became my own career. I've been a Librarian myself now for over 20 years and Mrs. Batdorf helped guide me towards that path even as a child. I'll forever be grateful to her and won't ever forget her. I pray that her family feels love and is given comfort during this time of loss.
