My condolences to everyone, I just wanted to share my memory of Jan was that she was one of the nicest people in the world. My childhood was better because of her. Coming over for Christmas Day every year was always I looked forward too. Every time I went to try to help with dishes after the meal she and Florence would always say you don't need to help us but have a piece of pumpkin pie. ❤️ 😊 I will miss Jan and still always think about Florence all the time. I am thinking of all of you in the family as well as all the friends.~ Chuckie Jacobson

Sherry and Family, I am sorry to hear about your mom. I only met your parents the one time that you and I stayed at their house when we went back to Fort Wayne for the weekend, so many years ago (1996?) They were hospitable and very welcoming. Thinking about you during this difficult time. Hugs. Renee Redys and Family
