I can't remember when and I can't remember where but I spent a good share of a day with Kristi (I think the Alzheimer's bus trip to Saugatuck). What I do remember and will never forget is how she made me feel. I will miss your loving spirit. Barb

I loved Kristi's straight forwardness and how she was also "up" whenever I was around her. She always made we smile when I was with her and as I walked away. She had such grace and peace during the past year and a half and I will remember her fondly. Prayers for all the family...she'll be missed by our Edward Jones family indeed. Linda Scott

She and Jeff allowed us Heaton siblings to enjoy using their time share in Hawaii one year. My thoughts and prayers go out to her extended family which includes of course all of the Grubbs. Lanna Autumn Whitdove lit a candle in honor of Kristi.

Kristi not only was a supporter of Milk Crate Ministries, but a supporter of me whenever I was in doubt of my abilities to make a difference in this world. She lent me encouragement & courage even while fighting her own battles. She always had a smile & hug ready & even fighting her own health issues, she still worried about mine. As happens with many who donate to Milk Crate Ministries, they become close friends as well. One of the benefits of doing this from my home is that I often have time to visit & get to know the people who donate & friendships are formed. I will be eternally grateful for having the honor of calling Kristi my friend. I will miss her, yet even now I feel her close & know she will always be in my heart. My heart felt sympathy to family, friends & all who were blessed to know her.
