I worked with Brian @ Avery Dennison and considered him a good friend. I sat next to Brian(along with Randy and Jeff) every break at our table. We shared the same birthday. Brian was so kind and always brought laughter to the room. He was generous, bringing vegetables from his garden to folks @ work. He loved his smoker and fed us amazing pork and sausage over the years. He gave me a ride home many times when I needed one , never hesitating to help. We are all in shock at losing him so suddenly. I am so sad he won't be able to enjoy his retirement plans of which he spoke of so often. He loved his family and was extremely proud of his grand babies. I will miss his fishing stories, his kindness,his wisdom and his friendship. RIH Brian. Prayers for your family.
