Margaret was a close friend of mine at New Haven High School. I remember her energy and smile....and the last reunion where she seemed to embody all that was good about our shared years - laughter and memories. The world will be a lesser place without her. My deepest sympathy to her family. Janet Schmidt Galle

John and I are very sorry for the passing of Margaret Ann. Our condolences to Ed and the entire family. She sold our house for us so quickly we had to scramble for a place to go! Her smile and sincerity went a long way. With our deepest sympathy, John and Jill Hunt
