I want to sent my sympathy to all of Aunt Margaret's family. It has been so very long since we have had any contact that you may not even remember me. I am Ralph's youngest daughter. When I think of Aunt Margaret I always think of laughter. My memory is one of fun and joy and laughter whenever she was around. Daddy loved her sense of humor and always enjoyed her joking around and keeping everyone entertained. I pray that characteristic has been passed down to her three special daughters. We all need more joy in our lives. May God give you comfort in you loss. Sharon Swigart Davis

Sharon, thank you so much for the kind words. I remember riding Butterscotch and Aunt Carmen's fancy butter! Much to mom's dismay at times I'm sure she wasn't always pleased with the sense of humor the 3 of us got from her.
