Condolences to the Rodenbeck family. Many fond memories of my 6th grade teacher! Such a strong legacy as Mr. A Rodenbeck was my favorite teacher of all time.

Ron was a multi talented man. I remember the beautiful table he made for his home. He used his wood working talent to even make simple things like the many kindergarten nametags he made for me over the years; my job was to vacuum the sawdust.I enjoyed the many years we served on the faculty together. John was there to welcome him home to heaven.Barb
