It is truly a small world we live in. As kids, we may not have run around as friends but I always remembered Becky and Patty. Then lo and behold, our lives intertwined forever with the marriage of Jess and Scott. Over the births of our grandbabies/nieces/nephews, our families have celebrated a great many occasions together. We continued to grow as a family united! Netty, you are remembered for so many things; your love, laughter, humor, are but just a few. We will always cherish your memory!!!! Becky, Amber, Scott, Madie, Abby, Dave, and ALL of the extended families.....please know that we continue to keep you all in our thoughts and prayers. We will always be available as needed, if you need to scream, cry, or just be held in your grieving...do not hesitate to reach out! Forever and always 🍷

Nettie, I love you, hugs ❤️ I was reading over old post on fB, you love everyone. It wasn't only in writing, you had empathy and sympathy for everyone, you were genuine, you really did care and love everyone you have ever known. Maybe in your absence, more people will share YOUR love, that you shared with everyone that knew you! ❤️🙏 You sure could make me laugh, you never missed a family gathering. I thank God I got to be your Aunt. Your Mom did a great job raising you. May God give your immediate family comfort, in knowing they do know Love you!
