My sincerest condolences to all of Jean's family. Jean will always hold a special place in my heart because she was truly a kind and loving person. From the first time I met her, she welcomed me as if I were a member of her family and always treated me with her true kindness. I treasure the memories of the visits to Indiana, Ohio, and Pennsylvania to visit Jean and her family and the family reunions. And, also the trips she and her family made to Las Vegas to visit her brother, Arden, and me. It was a true blessing to have had Jean in my life. Sending my love to all Jean's family. Eyline Cowart

It was an absolute pleasure and honor to have been able to meet you and your mom. I loved being able to provide her entertainment, sit with her and read, do her hair and nails and anything else fun! I'm sending y'all lots of love & prayers during this time of loss. May we celebrate in the good memories that we have of her. Blessings and love to you.

Jean is secure in heaven. May God grant your souls the knowledge you'll have His angles around you to guard you from evil and pain. Also to send you peace. In Jesus name, amen.
