Mister Stassel did his job well and left a great legacy as evidenced by the children he and his wife raised. Memories of him are not a privilege I was afforded but they live in the hearts of all he knew including Mark with whom I had the pleasure of learning much from while knowing him at International Harvester.

Oh Germaine, we are sharing your loss of Norm. We always looked forward to chatting with him when we worked at the station and also running into you both at local restaurants. He will be missed. ❤️ Kenny and Sandy Hirsch
