I worked with Bobby for many years at Do it Best. She always gave her best and was a joy to be around. Her sense of humor was the best and her laugh/smile lit up the room! I was fortunate to bump into her at Menards last summer...we talked and laughed about memories, life, and everything for over an hour! It was a great day! We exchanged numbers and began texting each other. We tried to set a lunch date, but she was at the lake doing what she loved so much...spending time with her family. I am honored to have shared time with her...she was very special and will be missed do very much. May God's love surround you and hold you in his loving arms with wonderful memories. Cindy Irie

Bobbi was always the most gracious hostess when our family would visit. We'd sit on the deck and watch the boats & the world go by and have fun laughs & great food. She sure brought up some great sons that loved her dearly (along with her daughter in laws)! Our hearts go out to her family. All of our love. Randy & Jill
