I will forever miss me and jake doing something or buying something and dave yelling at us saying you goofy kids. Lol. Also the amount of life lessons he has taught me. I always knew if i had a problem i could go to him and he'd talk me threw it. He always treated me like his son. I will forever miss you.

Dave was my foreman when I worked at Votaw in college 20yrs ago. I didn't know how to do much of anything but he took me under his wing and taught me a lot. I gained a lot of confidence in myself that summer thanks to him. He will be missed.
