“ Greg, Stan and families:  
Our deepest sympathy to all of you. I missed receiving your mom's newsy Christmas card this year. Remember all the get-togethers when we were kids because our Moms were cousins and our Dads brothers. Your mom was a strong believer in prayer and I'm sure God is rewarding her now.  
I'm sorry we can't make it to services because of the cold weather, but our thoughts and prayers are with you.

“ I worked with Lorine at the Grand Wayne Convention Center. She was one of the best ! Loved her stories, especially the one about her dance card always being full at the Legion. She was always a pleasure to be around. She will be missed by many at the Grand Wayne. Condolences to her family. Stacey Paunovich, Assistant Business Manager, Grand Wayne Convention Center.

“ Lorine worked here at the Grand Wayne Center as our host for many years. I often remember my talks with her. She had so much wisdom. I remember thinking to myself one day as we were talking and I told her that I thought she was "cool." I think Lorine got a kick out of that. No matter what stories she told me of her past at GE, her life as a mother, I always knew that she led a wonderful, fulfilling life that she was so proud of. She made a huge impact on so many and she will be missed greatly. So glad she has gone home and in the arms of our loving Lord.

“ Lorine and I occasionally talked by the mailboxes of the Yellow apartments. I was amazed that she was still doing volunteer work at her age. Another fine person gone from Emanuel.
