“ Margaret when you closed your eyes and soared to the Heavens I could hear the faint flutter of your wings as you left. Your body no longer on this side your spirit here eternally. I see your halo shine.

I close my eyes and see the multicolored wings surround me in my saddest moments and my happiest times.

Margaret, my angel God has given you your assignment always my sister, forever my angel. You fly into my dreams and when I am asleep. I feel your wings brush against my face wiping away the tears I shed since I can no longer hold you in my arms but in my heart.

You earned those wings dear sister and you will always be my angel eternal. I love you always and forever. ??????

“ This is for you our Sweet Angel! This is One of Margaret's favorite songs. This one is for you Margaret..."Sissy Song" sang by Alan Jackson

Why did she have to go  
So young I just don't know why  
Things happen half the time  
Without reason without rhyme  
Lovely, sweet young woman  
Daughter, wife and mother  
Makes no sense to me  
I just have to believe

She flew up to Heaven on the wings of angels  
By the clouds and stars and passed where no one sees  
And she walks with Jesus and her loved ones waiting  
And I know she's smiling saying  
Don't worry 'bout me

Loved ones she left behind  
Just trying to survive  
And understand the why  
Feeling so lost inside  
Anger shot straight at God  
Then asking for His love  
Empty with disbelief  
Just hoping that maybe

She flew up to Heaven on the wings of angels  
By the clouds and stars and passed where no one sees  
And she walks with Jesus and her loved ones waiting  
And I know she's smiling saying  
Don't worry 'bout me

It's hard to say goodbye  
Her picture in my mind  
They'll always be of times I'll cherish  
And I won't cry 'cause

She flew up to Heaven on the wings of angels  
By the clouds and stars and passed where no one sees  
And she walks with Jesus and her loved ones waiting  
And I know she's smiling saying  
Don't worry 'bout me  
Don't worry 'bout me
