“ Jackie Curtin lit a candle in memory of Patricia J. Miller

“ Pat was one of the sweetest residents I've ever taken care of. We had so much fun. I was never sure if she was laughing at me, or with me lol. No matter what, she was always happy to see me and had a smile on her face. I love this woman with my whole heart. Jackie, it is an honor to know you and was such a pleasure to care for your Mother. I will never forget how she held me so tightly during her transfers with me. She would always say to me; Ohhhhh no. I'd say back to her; it's ok Pat I've got you. She'd reply with; you got me? I'd say back to her; always. I'd lay her gently into her bed and she'd just smile at me and shake her head and say; boy you sure are strong. Many many more memories with her. May God comfort you and give you the strength to move forward with no tears just smiled of your happy times with your sweet momma. Love you, Jackie Curtin- CNA at LLV.

“ Dear Larry and Jackie,

I am so sorry that I did not know of your mom's passing until today. I last saw and spoke to her a week and a half ago in the dining room at LLV, the last day I spoke with Larry. I was completely shocked, not realizing that Pat was in such a bad way. I will miss talking to Pat and the both of you. My most sincere condolences for your loss,
